This substantial agricultural holding extends to approximately 97.36 acres (39.4 ha approx) of quality land primarily used for grazing and silage production.

This substantial agricultural holding extends to approximately 97.36 acres (39.4 ha approx) of quality land primarily used for grazing and silage production. The farm is accessed via a shared private avenue off Steeple Road close to the N69 Listowel/Limerick road with close proximity to Tarbert village. The holding is contained in one parcel set out over a number of fields. The elevated, undulating and naturally draining land offers great potential to acquire such a large track of quality land in one parcel. Rarely does such an opportunity presents itself in the North Kerry area. There is a two-storey farmhouse and adjoining store (in poor condition) with a large courtyard. The property commands views of the Shannon Estuary and surrounding countryside and viewing is highly advised. Further details and maps are available from Joint Selling Agents: Dillon Prendiville Auctioneers 068-21739 & Sherry FitzGerald Stack 068-32087 Directions: As you enter Tarbert village along the N69 from Limerick, take the turn to the left after the picnic area. Continue along Steeple Road for c. 1 mile passing the Church of Ireland on the left and the property on the left hand side - with for sale boards on splayed entrance walls. Coming from Listowel N69 take the turn to the right after the turn for the scenic route to Glin village. Continue along this road for a little over a mile and the property is on the right hand side with for sale boards on the splayed entrance.
